OFFICE OF PETITIONS

:
: DECISION REFUSING STATUS
: UNDER 37 C.F.R. §1.47(a)

This is in response to the October 29, 2001 petition Under 37 C.F.R. §1.47(a).

HISTORY

Applicant filed the above-identified application on July 10, 2001, naming Tomofumi Kitazawa, Taksshi Kitaguchi, Hiromasa Shimizu, Masayoshi Katoh, Yasuhiro Sato, Saburoh Sasaki, and Akihiro Etoh as joint inventors. However, the application as filed did not include the declaration required by 37 C.F.R. §1.53.

Accordingly, on August 27, 2001, the Office of Initial Patent Examination mailed a notice to file missing parts (hereinafter "the notice") to the address of record. A two month extendable deadline was set for filing a reply.

Petitioner filed this reply on October 29, 2001, which under 37 C.F.R. §1.7, was timely.

LAW

§ 1.47 Filing when an inventor refuses to sign or cannot be reached.

(a) If a joint inventor refuses to join in an application for patent or cannot be found or reached after diligent effort, the application may be made by the other inventor on behalf of himself or herself and the nonsigning inventor. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, the fee set forth in §1.17(l) and the last known address of the nonsigning inventor. The Patent and Trademark Office shall, except in a continued prosecution application under §1.53(d), forward notice of the filing of the application to the nonsigning inventor at said address and publish notice of the filing of the application in the Official Gazette. The nonsigning inventor may subsequently join in the application on filing an oath or declaration complying with §1.63.

ANALYSIS

Petitioner correctly points out that among the requirements for a grantable petition is the requirement that the declaration be accompanied by the last known address of the nonsigning inventor.¹ No designation of the last known address has been made with this petition.

¹ Petition under 37 C.F.R. §1.47, page 2, last paragraph.

Petitioner is urged to consider that for rule 47 purposes, the last known address is the one at which the non-signing inventor customarily receives mail.² Ordinarily, that address is the non-signing inventor's residential address.³

Because of the foregoing, this petition is *dismissed*.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 C.F.R. §1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 C.F.R. §1.47(a)".
